Select a composer from the MHL 245 Composer Bank and then find, and check-out the following:

- Two (2) related books
- One (1) related journal article
- Consult the Grove Music Online article about your chosen composer
- One (1) additional electronic resource.

Having found and selected the above, prepare an annotated bibliography using properly formatted entries (see *A Handbook for Writing*) followed by a brief note describing not only the value of each source to your future report, but also a statement on specific information that you will use. Also, on a separate sheet of paper, include a properly formatted (see *A Handbook for Writing*) footnote for each source. Assignments with improperly formatted footnotes and bibliographies will not be accepted. Submit finished work by emailing it to the instructor or on D2L on or before Tuesday, Feb. 21.
